

Seung-Gak YANG et al.
Appl. No. 10/048,075
August 5, 2004

REMARKS

The Examiner has indicated that claims 1 and 14-18 in the present application are in condition for allowance except for the following formal matters:

"The structures 2a-2f in the claims contain R', R", R''' and R'''' groups which are of such poor print quality that it would be impossible for the claims to be deciphered by the publishers. The claims should be resubmitted with new or clearer figures 2a-2f such that all the entities therein may be clearly seen."

The claims are resubmitted herewith with clearer figures 2a-2f in claims 1, 15 and 16. Accordingly, claims 1 and 14-18 should now be formally allowed.

Prompt issuance of a Notice of Allowance of claims 1 and 14-18 is earnestly solicited.

Respectfully submitted,

NIXON & VANDERHYE P.C.
